Irish Construction Industry Partners Working For A Safer Workplace

THE AWARD

The CSP Award will be awarded to an organisation / individual who has introduced an innovation / change to the way that they operate that has made improvements to health or safety within the last three years. This may have been an engineering change or indeed a management change that has been adopted to address a problem that existed. The aim of this award is to highlight and reward the commitment to improving health and safety performance.

HOW TO APPLY FOR THE AWARD?

Candidates may nominate themselves or indeed they may be nominated by a client, main contractor or worker – anyone who is of the opinion that the proposer has grasped a health / safety issue and introduced a novel / innovative idea to address a problem. The action taken should have been instigated in the last three years and should have been introduced specifically to resolve a health and safety issue.

WHO IS ELIGIBLE?

Any organisation / individual working in the construction industry in Ireland.

HOW TO ENTER

To nominate someone or to enter directly, please complete the Nomination Form overleaf, and return to:

Construction Safety Partnership Innovation Award,
CIF,
Construction House,
Canal Road,
Dublin 6

Completed application forms must be returned no later than **Friday 19th August 2016**.

THE JUDGES

The competition will be judged by a panel of adjudicators nominated by Construction Safety Partnership.

THE WINNING AWARD

A certificate and prize will be presented to the overall winner during Construction Safety Week (week commencing 12th September 2016).
