

CIF TRAINING COURSES 2021

October – December 2021
CIF Virtual Classroom

CIF Learning & Development plans to continue to deliver our accredited full range of programs until the end of 2021 via Zoom for the safety of all our delegates and clients while continuing to support the learning needs of the CIF members and our wider client base within the industry.

We will continue to work to bring new program content for 2022 program will be rolling out new content in our 2022 schedule.

Important Note for CIF IOSH Managing Safely in Construction (MSIC) Course

From the start of October 2021, the CIF IOSH Managing Safely in Construction (MSIC) Course will be re-branded in partnership with Institute of Occupational Safety & Health (IOSH) the accrediting body to the new course title of Safety for Construction Managers (SCM) Course.

There is no need to re do the CIF IOSH Managing Safely in Construction (MSIC) course as the content is largely the same as before re branding.

Should you have any enquiries please contact Robert Butler Head of Learning & Development on 01-4066071 / rbutler@cif.ie
